

Dear Colleagues,

MANIFESTO

Co-operatives all over the world are associations of people with a common goal of maximizing the strength in their numbers to meet their common economic and social needs, among others. For our COOP, I as well as many have the strong conviction that we are not where we should be. Another opportunity is here for us to determine the crop of leaders that will steer the course of our great COOP.

I believe our COOP is more than capable of fulfilling her objectives to her members; an association united voluntarily **“To meet their common economic and social needs and aspirations through a jointly owned and democratically controlled enterprise”**.

To achieve this, we need a leadership that will demonstrate **Discipline, Transparency, Sound Decision-making** and above all **INTEGRITY**.

With dedicated and straightforward leadership, we can only get better.

It is for this reason that I, **Emmanuel Uleh**, aspire to be a part of the next Management Committee (MC) to deliver value and restore members' confidence in the COOP. I hereby declare my intention to run for the position of **Treasurer of our great COOP**.

I shall work with the MC towards realizing the following:

- **Strengthen the financial management and internal control systems of the COOP**
- **Ensure that the COOP funds are managed efficiently**
- **Strengthen the COOP governance structure**
- **Take initiative and Drive for value optimization**
- **Ensure respect for members as well as for COOP rules**
- **Promote opportunities for good deals for the generality of all members**

To achieve these and more, I passionately appeal for your support.

Thank You!
